What is the CDCI CARES Team?

Consultation
Access
Resources and
Equipment
Support

for students who are d/Deaf, hard of hearing, or deafblind (DHHDB)

Working collaboratively with school teams to build capacity, and support access for students ages 3-22 with hearing loss.

The CDCI CARES Team is funded through the Vermont Agency of Education (AOE) and supported by the UVM Center on Disability & Community Inclusion.

What kind of support does the CDCI CARES Team provide?
Our consultants collaborate with school teams, students and their families by remote and in-person consultation services.

How much do CDCI CARES Team services cost?
Consultation and Technical Assistance (TA) services are provided to public schools at no cost. Assessments, evaluations and counseling are provided for a fee of $140/hr.

Our consulting services include:
• In-service training
• Hearing Assistive Technology (HAT) troubleshooting/Equipment support
• Accommodations Recommendations
• Team Meetings
• Transition Meeting Consultation
• Self-advocacy skill development

Consultation and Technical Assistance (TA) services are provided to public schools at no cost. Assessments, evaluations and counseling are provided for a fee of $140/hr.
